As a recipient of a 2011 Alaska Society of Professional Engineers (ASPE) Scholarship, it is your responsibility to provide AEEF with the following information so we can award you the funds. The money will be sent directly to your student account at the college or university that you choose to attend—provided the college or university is accredited by the Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology and you are enrolled in an engineering or engineering technologies program. Once you have been accepted and enrolled at your college or university, please fill out the information below and forward to the Registrar at your college or university for signature.

Please return this form to address below before October 1, 2011
